

ASX Release

8th September, 2005

Wellcom Group Limited
API on board

Wellcom Group Limited (Wellcom) is pleased to announce it has recently reached an agreement with Australian Pharmaceutical Industries Limited (API), which includes the Priceline, Soul Pattinson and Chemworld brands, for the provision of Wellcom specialised services. The facilities management site will include technology, staff, pre-media, digital photography and data storage services.

Wellcom Chairman and CEO, Wayne Sidwell, had this to say about the company's promising start to the FY2006 year, "We are fortunate that we have strong relationships with key advertising agencies and direct relationships with many blue chip clients".

"Although there is some talk of a slowdown in the retail sector, we are experiencing increased volumes from our advertising agency and retail clients. This, accompanied with our recent wins, is shaping up to being a very positive year for us".

The Company is also pleased to announce CFO and Company Secretary, Katrina Romanin, has been appointed as an Executive Director.

Company Director Nadaraja Kanniappan will move from an executive to non-executive role. This move will be effective as of Friday, 9th September, 2005.
