Wellcom Group Limited
First quarter success

Wellcom Group Limited is pleased to announce its trading results for the first quarter FY2006 have been finalised.

Turnover for the quarter was \$8.7M, reflecting an EBIT growth in excess of 10% from the first quarter FY05.

The Company's operations in New South Wales, Victoria and South Australia all contributed similar margins to the EBIT result.

Company Executive Chairman Wayne Sidwell said "I am very pleased with the result for the first quarter. The organic growth the Company is experiencing is testimony to the quality and level of service offered by Wellcom in this market. The securing of API (Australian Pharmaceutical Industries) and the Dick Smith Electronics accounts will add further growth to our business."
