**Wellcom announces new Accounts**

Wellcom Group Limited (**Wellcom**) (ASX Code: WLL) is pleased to announce the acquisition of new accounts, including Foodworks, Crown Casino and Honda Motorcycle.

Crown Casino is installing our proprietary software Knowledgewell, and Foodworks and Honda will be trialling Wellcom's Facilities Management / Hub Production Model.

Current activity remains strong with large volumes in the retail and corporate sectors.

Executive Chairman, Wayne Sidwell said that he was happy with the contribution of all the business units, including the recent acquisitions in the U.K. and New Zealand.

Wellcom is also delighted to confirm expected E.D.I.T.D.A. growth for '07/08 to be at the high end of its previously announced range of 25% - 35%.
